## International

Since its founding in 1997, Chery has grown into a global automotive leader with a presence in over 110 countries across various regions. As the first Chinese brand to surpass one million domestic sales, Chery has consistently set benchmarks in innovation, technology, and international expansion. In 2025, Chery International achieved the remarkable Dual 500 milestone by ranking No. 233 on the Fortune Global 500 as the fastest-growing automaker of the year and by becoming the first Chinese auto brand to surpass five million vehicle exports worldwide. Omoda & Jaecoo represent the next chapter of this journey, building on Chery's legacy of excellence. Together, they embody the group's vision of delivering intelligent, stylish, and adventurous mobility experiences to drivers around the world.

## OMODA | JAECCO

Omoda & Jaecoo are redefining the future of intelligent and electrified mobility. Guided by the global LOHAS (Lifestyles of Health and Sustainability) philosophy, Omoda & Jaecoo continue to drive progress with purpose, shaping a cleaner, smarter future for mobility.

Nishat Group is one of Pakistan's most prominent business conglomerates, with a diverse presence across textiles, cement, banking and financial services, insurance, power generation, paper products, hospitality, real estate development, automotive, agriculture, dairy, and aviation. Guided by strong values of trust, innovation, and progress, the group has played a vital role in shaping Pakistan's economic landscape. Bringing Omoda & Jaecoo to Pakistan reflects Nishat Group's vision of introducing world-class brands and redefining the future of mobility in the country.

## EXTERIOR

### Design That Stands Apart

Every line of the Jaecoo J5 is shaped to create a strong first impression. Its bold front grille and sleek LED headlamps give it a confident road presence, while smooth contours and refined proportions add a sense of modern elegance. The compact yet athletic stance, paired with distinctive alloy wheels, brings a balanced blend of utility and style for city and weekend driving. From daily commutes to open roads, the J5 exterior expresses thoughtful design with a confident character that fits every destination.

**A Form Language Rooted in the Outdoors**

The Jaecoo J5's design philosophy is inspired by journeys through nature, where the road, the mountains and the sky become key reference points that shape the iconic form of the Jaecoo J5.

### **Sculpted from Every Angle**

Seen from above, the Jaecoo J5 reveals a dynamic silhouette defined by clean geometry and purposeful lines. The roofline, shoulder contours, and crisp edges come together to form a confident profile that stands out even at a glance.

Every angle reflects a refined design language that elevates the J5 beyond conventional SUV styling.

### **Crafted with Precision Detail**

The J5's sculpted form becomes even more expressive from a higher perspective, where its aerodynamic flow and seamless body transitions are most evident. Fine detailing visible in the curvature of the hood, the precision of the panel work, and the structured stance showcases a modern craft approach designed for those who appreciate thoughtful engineering in every contour.

#### **Waterfall Grille**

A bold vertical slat grille design gives the Jaecoo J5 a strong and confident front profile. The clean geometry reflects Jaecoo's modern design language and sets the tone for its refined character.

#### **LED Lighting System with Mountain Road Light Language**

The Jaecoo J5 comes with full LED headlamps and LED daytime running lights that enhance visibility and add a crisp contemporary look, shaped by Jaecoo's mountain road light language design. The lighting layout creates a clear and confident road presence in every setting, delivering striking brightness with a refined adventurous character.

#### **Rims and Tires**

The Jaecoo J5 features 18-inch alloy wheels that add a clean and confident look to its stance. The precise design enhances road presence and delivers a balanced combination of grip, comfort, and everyday practicality.

### Power Operated Tailgate with Body Line as Sharp and Straight as a Cliff

A power operated tailgate with handsfree access designed for everyday convenience and a premium aesthetic. The rear body line stands as sharp and straight as a cliff, reinforcing a strong and sculpted look. Its integrated design lines complete the J5 SHS-H refined rear profile, enhancing Jaecoo's premium and confident design identity.

### Crystal Array Tail Lights

A seamless full-width "Crystal Array" LED tail light bar defines the rear, creating a striking visual signature day or night.

INTERIOR

### Ergonomic Steering & Adaptive Cruise Control

Feels refined and balanced in hand. Integrated controls allow smooth and easy access to key functions, creating a convenient driving experience. The Jaecoo J5 premium features a leatherette wrapped multifunction steering wheel that offers a confident grip and a comfortable driving feel, delivering an enjoyable driving experience, enhanced with Adaptive Cruise Control for added ease on long drives.

### Climate Control System

Dual zone automatic climate control keeps the cabin at your preferred temperature with minimal effort. Rear air vents ensure passengers in the back enjoy the same level of comfort on every journey.

### Intelligent Display

A 13.2-inch high resolution touchscreen anchors the J5 Premium interior, offering crisp visuals and an intuitive interface. With Apple CarPlay, Android Auto, and smart voice control, every drive feels connected and effortless.

480L STANDARD | 1180L EXPANDED TRUNK

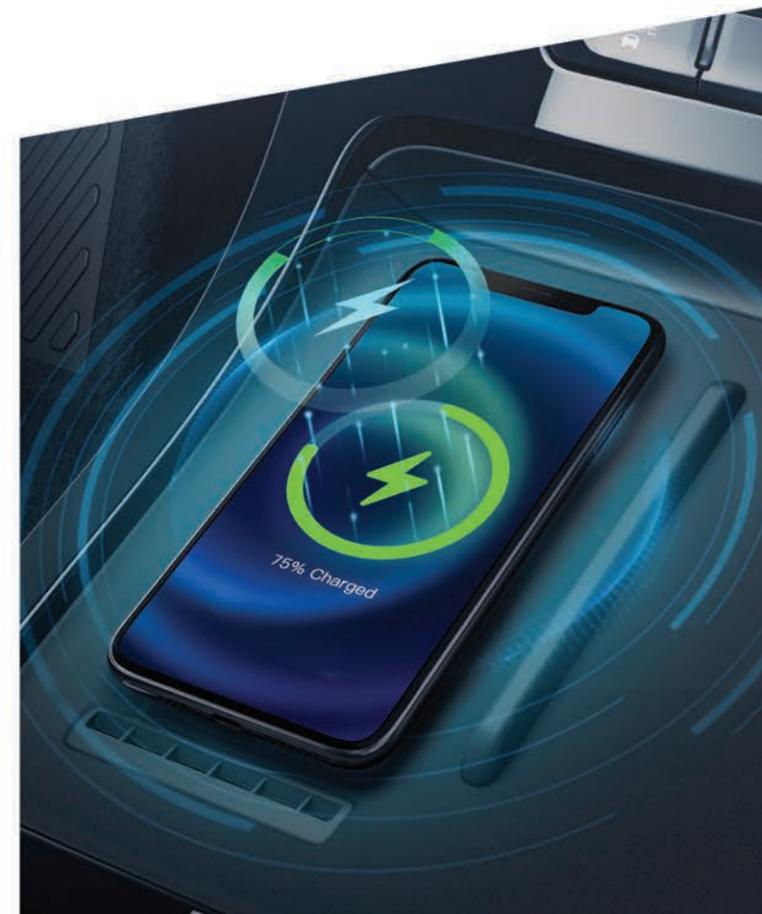

#### Luxury Seating

Premium PVC leather seats, power adjustable for both driver and front passenger, create a relaxing and supportive seating experience. Ventilated front seats add cooling comfort, making long trips feel lighter and more enjoyable.

#### Smart Charging Solutions

A 50W fast wireless charging pad powers your phone without cables, while USB A and Type C ports in both front and rear rows keep all passengers charged throughout the drive.

#### Sing Along On Every Drive

The J5's multimedia system offers a built-in karaoke mode that mixes vocals with background music using advanced audio processing and reverb effects. Bluetooth connectivity lets you turn any track into a backing track, so everyone in the car can enjoy singing along.\*

\*Microphones are an optional accessory.

## Protection Built Into Every Drive

### Advanced 6 Airbag Safety System

The Jaecoo J5 is equipped with an advanced 6 airbag layout designed to help reduce injury in the event of a collision. Front, side, and curtain airbags deploy to create a protective shield around the cabin, helping absorb impact from multiple directions. The system works seamlessly in the background, supporting a safer and more confident driving experience.

## Intelligent Driver Assistance

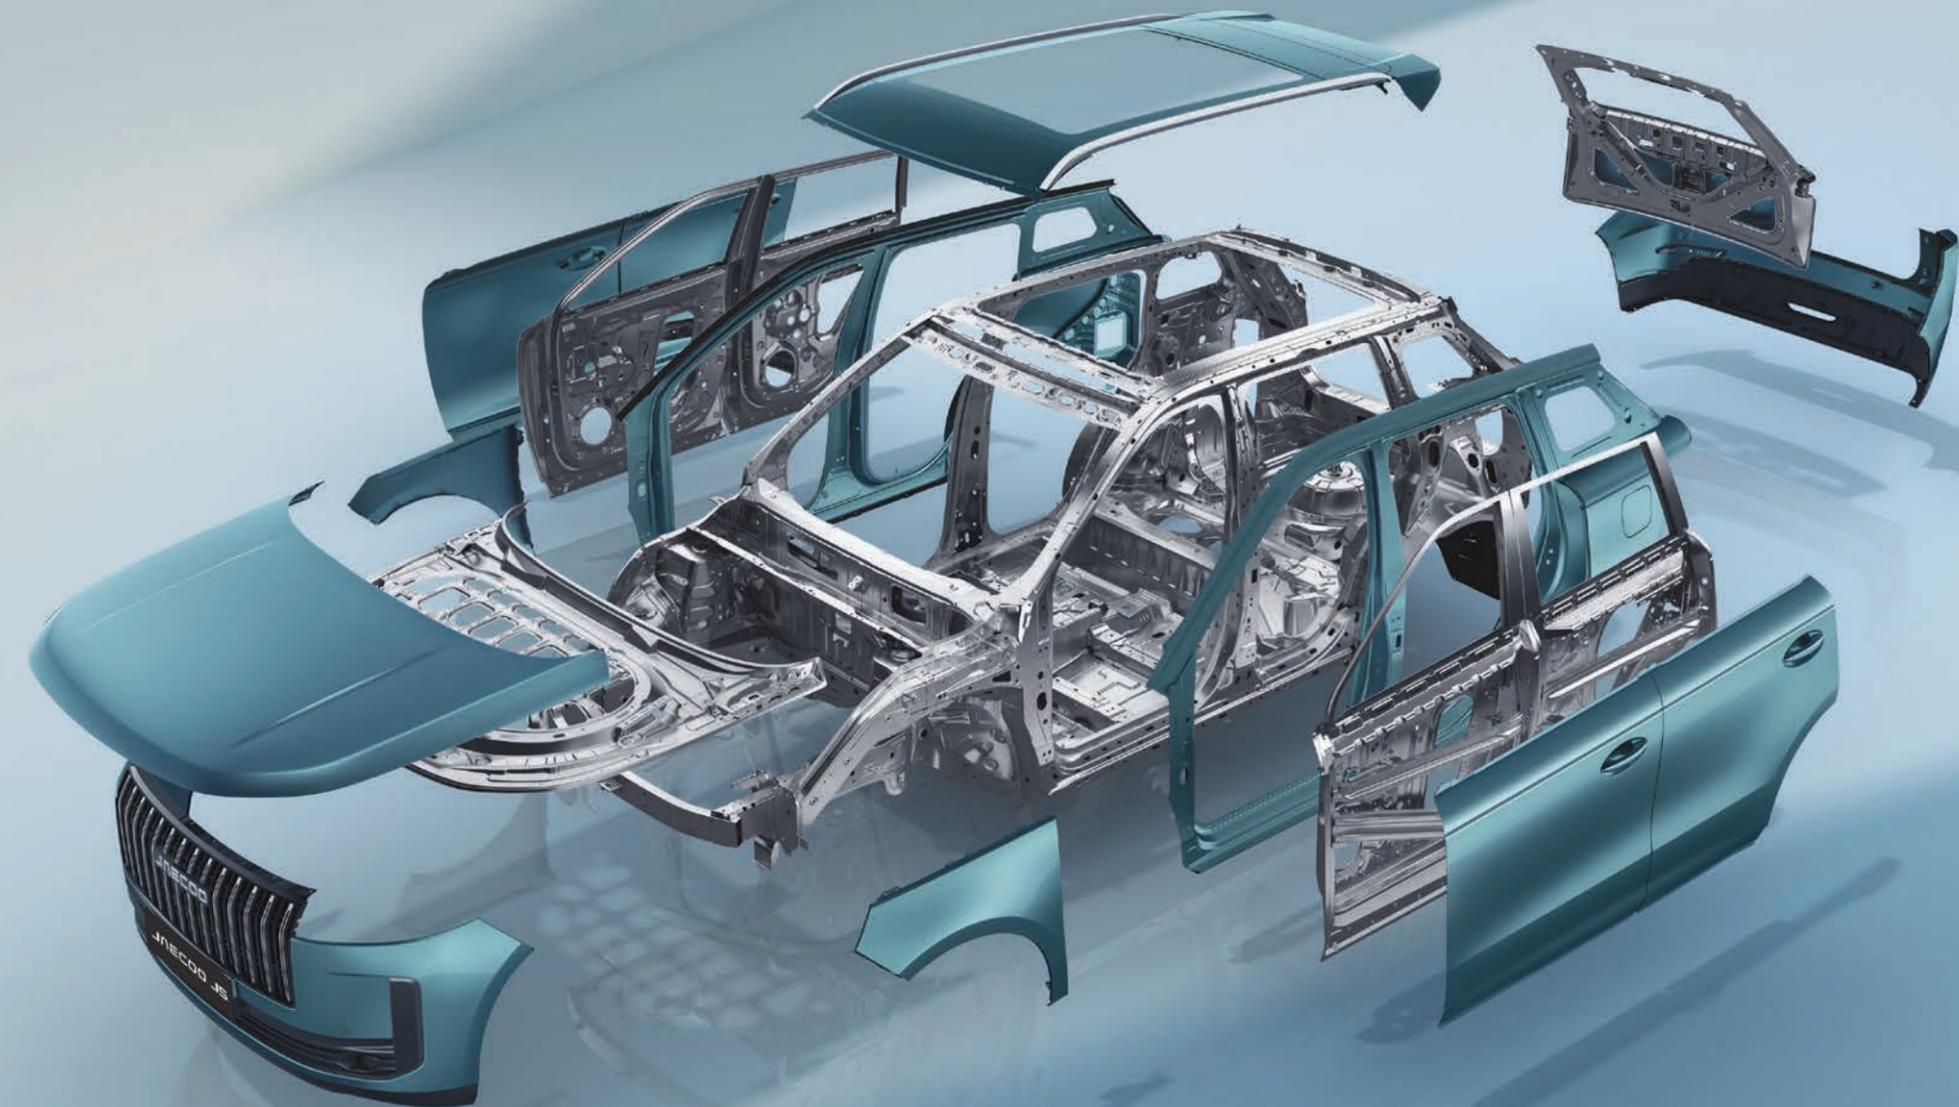

### Advanced ADAS for Everyday Confidence

The Jaecoo J5 Premium features a range of smart driver assistance systems designed to support safer, more controlled driving. Forward Collision Warning, Lane Departure Warning, Rear Collision Warning, Rear Cross Traffic Alert, and Intelligent High Beam Control help you stay aware of your surroundings. Adaptive Cruise Control and Traffic Jam Assist add ease in varying traffic, while Hill Start Assist and Hill Descent Control help maintain control on slopes. Together, these technologies create a calm and confident drive in all conditions.

## Strength in Every Layer

### Rigid Body Structure for Enhanced Safety

The Jaecoo J5 is built on a rigid body structure designed to help absorb and disperse impact forces more effectively. High strength sections work together to support cabin integrity, contributing to a safer and more stable drive in a wide range of conditions.
